

PRICE LIST 2023

EXAMINATION	
Specialist consultative examination	50
Re-examination	20
Superficial anesthesia	15
Local injection anesthesia	15
Funeral anesthesia	20
Intraligamentary anesthesia	15
DIGITAL RADIOGRAPHY	
OPG panoramic image of both jaws	55
3D PANORAMIX (8x8)	100
3D PANORAMIX (20x17)	150
3D ENDO (5x5)	30
3D RVG (5x5)	30
DENTAL IMPLANTOLOGY	
Opening the implant and placing the gingiva former	110
Abutment cement retained	300
Soft tissue augmentation around a dental implant with autograft	550
Split ridge	1.500
Removal of an osseointegrated dental implant	500
Ridge augmentation by autograft from the ramus or symphysis per quadrant	1.650
Sinus lift with membrane installation	1.650
Annual check-up after implant installation	70
A prf	120
I prf	120
Superstructure on a dental implant	600
Collagen cone	100
Titanium membrane	690
Temporary superstructures	80
Installation of Straumann BLT implants	1.700
Installation of Straumann BLX implants	1.700
Installation of Zimmer implants	1.100
Installation of the Neo implant	1.000
Use of the Varsah drill	100
Locator height 2 mm, 4 mm and 6 mm	370
Retention elements for locators up to 10 degrees of correction and up to 20 degrees of correction	400
SIS – sinus implant stabilizer	1.000
Artificial bone, xenograft particles 0.25 g	500
Artificial bone, xenograft particles 0.5 g	700
Artificial bone, xenograft particles 0.2 g	1.400
Resorptive bilayer membrane 13x25 mm	500
Resorptive bilayer membrane 25x25 mm	650
Resorbable bilayer membrane 40x50 mm	850
Alloplast 0.5 cc (artificial bone) granulate 0.5 to 1 mm	200
Alloplast 1,0 cc	400

PRICE LIST 2023

Surgical stent (from the printer) for 6-12 implants	250
Sinus lift surgery with the application of artificial bone	1.650
Peri-implantitis therapy per tooth	100
DENTAL PROSTHETICS	
Metal-ceramic cover/member	350
One-piece cast stake extension	100
Multi-part stake upgrade	120
Protective cover	25
Total acrylate prosthesis	450
Partial prosthesis made of acrylic up to 5 teeth	350
Partial prosthesis made of acrylic 6 to 13 teeth	400
Metal plate as a base for a partial denture	650
Immediate prosthesis	300
Prosthesis repair	60
Repair of the prosthesis base with additional teeth	60
Repair of the prosthetic base with the addition of a hook	60
Indirect underlaying of the total prosthesis	100
Telescope/cone crown system per piece	550
Manual TMJ reposition	100
Myofunctional therapy	200
Making an acrylic cover	80
Full zirconia monolithic crown member	660
Zircon ceramic crown member	660
Full glass-ceramic crown (e max press)	850
Full glass-ceramic crown member (e max CAD)	850
Crown - a member with a glass-ceramic substructure with the addition of ceramics (e max CAD + e max CERAM)	660
Crown - member with glass-ceramic substructure with addition (e max press + e max CERAM)	660
Cutback crown - member (e max CAD + e max CERAM)	660
Cutback crown - member (e max press + e max CERAM)	660
CAD-CAM (temporary acrylic crown direct method)	80
E max press (inlay, onlay, overlay)	500
E max CAD (inlay, onlay, overlay)	500
Feldspar - ceramics (inlay, onlay, overlay)	500
Veener e max CAD (flake)	660
Veneer e max press (flake)	660
One-piece zirconia abutment	250
Multi-root zirconia abutment	300
Cementing the old cover	55
Extraction of a cast abutment post or screw from the root canal	55
Installation of fiber glass stakes	165
Upper acrylic prosthesis with Pfiziodens Vita teeth	1.250
Lower acrylate prosthesis with Pfiziodens Vita teeth	1.250
Acrylic frog with one tooth	85

PRICE LIST 2023

Adhesion repair - replacement of the matrix/matrix on the mobile part of the compensation	55
Separation of the bridge	25
Direct fitting of the prosthesis (soft liners, additional silicones, conditioners)	80
Crown with hybrid ceramic	300
Temporary (trial) crowns from a 3D printer	80
Metal ceramic screw-on crown with T1 base	400
Zircon ceramic screw-on crown with T1 base	700
Solid zirconia monolithic screw crown with T1 base	650
CAD-CAM individual abutment (zirconia)	300
Provisional acrylic CAD-CAM All on X	1.000
All on X (screw bridge) metal ceramic	3.000
All on X (screw bridge) zircon ceramic	7.000
All on X (screw bridge) zircon composite	7.000
All on X (screw bridge) full zircon (Prettau)	6.500
Total prosthesis with ceramic teeth	950
Denture repair (addition of a tooth in the denture - the patient brings the tooth)	55
Denture repair (addition of a tooth in the denture - the patient brings the tooth)	55
Total prosthesis with mesh	950
Intraoral scanning of the upper and lower dental arch	100
Removing the old cover	25
Re-cementing of the old cover with composite cement	55
Re-cementation of the old cover with Glass-ionomer cement	55
Correction of the prosthetic work of the prosthesis	20
Analysis of study models	50
Composite inlay	220
Gold inlay	250
Full denture for a ceramic front	950
Temporary partial denture	250
Partial denture with ceramic front	650
Skeletonized visil prosthesis (partial prosthesis with a metal base)	1.250
Vizil prosthesis with Vita pfziodens teeth	1.250
Vizil prosthesis with ceramic teeth	1.250
Vizil prosthesis with two attachments	1.250
Vizil prosthesis with ceramic teeth	1.500
Protective splint	120
Metal-free skeletal prosthesis	700
ORAL SURGERY	
Single root apicotomy	300
Circumcision around the teeth	100
Abscess incision without drainage	50
Extraction of a milk tooth with anesthesia	30
Extraction of a permanent tooth with anesthesia	50
Extraction of visible and fractured roots per tooth	100
Treatment of an open sinus during tooth extraction	100

PRICE LIST 2023

Extraoral abscess incision	50
Surgical removal of an impacted, retained or occluded tooth	200
Transposition of n. mentalis or n. alveolaris inf. with total atrophy of the alveolar part of the lower jaw	3.000
Partial modeling of the alveolar ridge	550
Total leveling of the alveolar extension of the upper and lower jaw	1.100
Total profundation of the fornix vestibuli of the upper and lower jaw	600
Gingiva/soft tissue graft (free, pedunculated)	1.000
Surgical removal of a semi-impacted tooth	250
Complicated tooth extraction	200
Removal of mucocele from the maxillary sinus	300
Removal of cyst from sinus	1.000
Removal of a foreign body from the sinus	1.000
Lip stabilization	1.500
Crownlengthening	2.000
Free gingival graft	1.500
Tunnelling with autograph	1.500
Tunnelling with alloderm	2.500
Flap with autograft from tubera	500
PERIODONTOLOGY	
Removal of tartar and plaque	55
Frenulectomy	250
Flap-flap operation 1 tooth	100
Total gingivectomy	1.000
ENDODONTICS	
Mechanical endodontics of a single-rooted tooth	220
Mechanical endodontics of a double-rooted tooth	250
Mechanical endodontics of three/four-rooted teeth	300
Revision of endodontic filling	300
COMPOSITE WITH POLISHING	
Composit flake	220
Composite filling for adults	100
Composite filling for children	50
AESTHETIC DENTISTRY	
Implantation of zircon on the tooth	50
Whitening of one jaw	330
ORTHODONTICS	
Device adaptation and wearing instructions	20
Fixed orthodontic appliance with the use of metal brackets per arch	1.500
Fixed orthodontic appliance with application of aesthetic braces per arch	1.800
Fixed orthodontic appliance with the use of self-ligating metal brackets (per arch)	1.800
Fixed orthodontic appliance with the use of self-ligating aesthetic braces (per arch)	2.000
Clearcorrect package treatment set up FLEX	300
Clearcorrect package MINI	2.600
Clearcorrect package case ONE (24)	3.400

PRICE LIST 2023

Therapy with a functional appliance	500
Therapy with a fixed appliance (one jaw)	2.500
Therapy with a fixed appliance, aesthetic braces (one jaw)	2.000
Haedgir as an independent appliance	250
A chin tie	70
Another appliance as part of the therapy	250
Retainer per jaw	110
